

Scholarship Agreement

Meyer–Simon Latin Scholarship

I, _____, as recipient of the Meyer-Simon Latin Scholarship, agree to the following:

- 1) I will enroll full-time in an accredited college or university, and I will major in an undergraduate degree program that requires that I take at least one class in Latin.
- 2) I will send a copy of my receipt of enrollment to the Saginaw Community Foundation upon registration at _____ (name of college or university).
- 3) I will request that my college send a transcript to the Saginaw Community Foundation at the end of each semester as record of my continued enrollment.
- 4) I will maintain the minimum grade point average required by my school to avoid being placed on scholastic probation.
- 5) I will immediately inform the Saginaw Community Foundation of any change in my status as a student, in my academic major, or in my address or telephone number. If I interrupt my college education for longer than the normal summer vacation period, I am aware that my scholarship may be terminated.
- 6) If I transfer to another college, I will provide the Saginaw Community Foundation with an official statement from that college indicating I have been granted admission. I understand some scholarship grants are not transferable.
- 7) I will furnish the Saginaw Community Foundation with additional information upon request.
- 8) I give permission for any college or school to release to the Saginaw Community Foundation any information necessary to process my scholarship.
- 9) I hereby grant permission to the Saginaw Community Foundation and scholarship donors to use my name, photograph, awards received, high school, institution, graduation year, or major/minor in publications and presentations.

I understand the Meyer-Simon Latin Scholarship can be used for tuition, books, course-related fees, room and board for the 2021-2022 academic year.

I understand failure to abide by these conditions shall constitute sufficient reason for the termination of the scholarship. This scholarship is nonrenewable.
