2024 Annual Report

it takes
**EACH
OF US**

For good. For ever.™

Once there was a quiet, little community that merely existed as boundary lines drawn on a map. But, as it began to expand, it also grew in the hearts and minds of the people who lived there.

It Became Home

Many good and generous people from generations ago worked hard to make our area a better place to live, work and play. Unfortunately, many of their accomplishments have been forgotten over time. They did not have an opportunity to do what can be done today – leave an indelible mark on the future of Saginaw County through Saginaw Community Foundation.

For Each of Us

Forty years ago, the Saginaw Community Foundation was established by individuals who planted the philanthropic seeds that have helped transform a community. Working together, those folks combined a spirit of hometown pride with pooled resources to make Saginaw County a place all of us are proud to call home. Fast-forward to today and the Foundation has supported hundreds of organizations, and those organizations have helped thousands of individuals along with SCF's support of thousands of scholarship recipients since our creation.

Building a Flourishing Community

FOR ALL FOR GOOD FOR EVER

The **Beginning** Remembered

by Janet Crane

it takes **EACH OF US**

In 1980, the Junior League of Saginaw membership started considering in a serious way how to celebrate their 50th anniversary that was coming up in 1984. The consensus was that it should be something more substantial than a gala party. The goal was to find a project in keeping with the Junior League's purpose of benefiting the community in a lasting way through the active participation of trained volunteers.

Over the years, League members had served in many capacities – from direct, hands-on service to participating on boards and executive committees. These experiences gave us insight into what was going on in the community and what further needs might be. We also sought input from our Community Advisory Board.

We knew that our gift project had to include a way of becoming self-sustaining. We needed to include a plan for future funding, as well as the startup of our project. Among the ideas discussed was the establishment of a community foundation.

Our Community Research/Project Development Committee began looking into projects that met the goal criteria and came up with a list of possibilities. In April 1982, a slate of seven possibilities was presented to the membership with Community Foundation and Ronald McDonald House receiving the most interest.

We knew that a lot of work still needed to be done if either of these worthy projects could be launched for the anniversary. Placement Interest Groups for each were formed for the 1982-83 program year. Both groups worked intensely. Program models were located and studied. Community members who shared an interest were identified and consulted. Sustainability, though that word had not particularly come into use at that point, was examined. All of this lead up to a final vote in May of 1983. The \$50,000 startup fund was at stake.

The fact that we are here today is testimony to the outcome. Starting in May 1983, a four-member committee was appointed to establish and implement a Saginaw Community Foundation.

The Saginaw Community Foundation Planning Committee started with Holly Johnson, Chair, Louise Harrison, Karen MacArthur, and Tani Watkins. Also serving were Ron Schneider as community liaison, Janet Crane as Board liaison, and Mary Ellen Vaydik. Junior League attorney Hugo "Ted" E. Braun, Jr. and

financial advisor Lloyd Yeo also worked with us closely to develop by-laws, incorporate, and gain 501(c)(3) approval. We knew that to be accepted and successful we needed to develop a broad base of community support. We had to sell the Community Foundation concept to key members of the community as well as among the wider community to ensure its ultimate success. Committee members were assigned to contact key people in the community whose support and participation was needed. We needed to communicate just what a Community Foundation is and does, and why their support should be added. The outcome of this sales campaign is obvious today.

The Saginaw Community Foundation was formally organized on December 7, 1983, with the election of its members and Board of Trustees.

"A Community Foundation is an effective way for residents of an area to respond individually, in their own way, to the special needs of their own area. The Junior League should be commended for their efforts in its establishment."

Hugo "Ted" E. Braun

*First Board President
Saginaw Community Foundation*

Newly elected officers of the Board were: Hugo E. Braun, Jr., President; Sandra Donahue, Vice President; William V. Knapp, Secretary; and Terry Pruitt, Treasurer. Other Board members included: Gilson D. Foster; Foster B. Gibbs, PhD; Todd Holmes; Karen MacArthur; and Paul Novak. Membership included forty people who had been active in the community and represented many and diverse segments of county population.

Marking fifty years of active community service, the League hosted a reception at the Castle Museum of Saginaw County History on February 7, 1984. The highlight of the event was the presentation by Susan Richter, the 1983-84 Junior League President, of a check for \$50,000 to Hugo "Ted" E. Braun, Jr., President of the newly established Saginaw Community Foundation.

40
years
1984-2024

An Ode to the **Foundation**

by Mary Ellen Vaydik

On February 7, 1984, Junior League member and Saginaw Community Foundation founding member Mary Ellen Vaydik, read the verse to the right that she composed in honor of the introduction of Saginaw Community Foundation to the community at the Castle Museum of Saginaw County History.

Mary Ellen attended Saginaw Community Foundation's 40th Anniversary Kick-Off Celebration event on February 15, 2024 and she once again shared her composition with the hundreds of guests in attendance.

Written forty years ago, its message of volunteering and giving back to support our community still resonates today.

We're here today to celebrate
Not just one thing, but two:
A Junior League that's 50 –
And a Foundation that's brand new!

Now, I won't try, in my few lines,
To cover fifty years;
But I will say while I'm up here-
"We love those volunteers!"

If there were no Junior League here,
You simply wouldn't see
Many things we take for granted
Because the work they did was free.

Their specialty is opening doors
And bringing things about
That make our lives much better
And that we'd hate to be without.

Some doors they've opened through the years
Can be seen in that display*;
Now one more door is opening
That we celebrate today.

The Saginaw Community Foundation
Is a name too long to rhyme,
But the good that-it can do here
Will be evident in time.

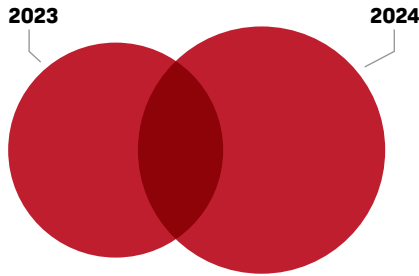

So welcome the Foundation!
And to the League – three cheers!
We can celebrate your birthdays
Because of VOLUNTEERS!

**The display referenced here refers to an exhibit showcased at the Castle Museum of Saginaw County History with photos and artifacts from the Junior League's first 50 years.*

A Message

From our Board Chair & President & CEO

Celebrating 40 Years of Impact and Looking Ahead

Happy 40th Anniversary, SCF! It's hard to believe that the Saginaw Community Foundation has been serving our community for four decades – and even harder for me to believe that I've had the privilege of being part of this work for 20 of those incredible years. This milestone year was certainly one to celebrate, and we rolled out the red carpet to mark the occasion.

Here's a snapshot of our year-long celebration:

- **January 29:** Announced the launch of the Community Engagement and Inclusion Committee (CEIC) with community partners
- **January 29:** SCF Board of Directors Trivia Night
- **February 15:** 40th Anniversary Kick-Off at the Castle Museum
- **May 24:** SCF Community Bus Tour and Memorial Cup outing
- **June 5:** Excellence in Education Carnival Night where 665 scholarships were awarded to 389 students, totaling \$838,750
- **July 24:** Community conversation event with Breaking Bread Village/Saginaw Heartbeat
- **September 14:** Hosted 500 guests at our 40th Anniversary Gala Celebration
- **September 19:** Hosted the Great Lakes Bay Regional Community Foundation staff retreat
- **November 20:** 4th Annual Philanthropy Uncorked fundraiser
- **December 2:** Cornerstone Pillar Society Champagne Toast Reception

Among the year's highlights, the Community Bus Tour and Memorial Cup event in May stands out as a personal favorite. We welcomed more than 50 board members, donors, and community partners;

some familiar faces, some new; for a tour highlighting SCF's impact in areas like Buena Vista, Frankenthum, and Bridgeport. While our original itinerary proved too ambitious – we had to cut the tour short to make the puck drop at Game One of the Memorial Cup hockey game. And yes, we were all there to see the Saginaw Spirit win!

In September, we hosted our 40th Anniversary Gala. We were honored to welcome back SCF's first President & CEO, Lucy R. Allen, who took us on a heartfelt journey through SCF's origins. It was an evening filled with stories, reunions, and well-deserved recognition. We proudly presented:

- **SCF Volunteer of the Year** to Trish Luplow
- **Frank N. Andersen Spirit of Philanthropy Award** to Ken LeCureux and Pharrington Douglas for revitalizing the Garber Tennis Courts
- **Community Improvement Initiative \$40,000 Grant** to Heart of the City – Adult Day Support Program (*see pages 14–15 for more details about this program*)
- **Dr. Mhridha Teacher of the Year Award** to Brad Erlenbeck from Swan Valley Middle School
- **Joseph W. Madison Youth Award** to Serenity Eiland, a senior from Arthur Hill High School

continued ..

Todd Gregory, *Board Chair* (right)

it takes **EACH OF US**

FOR ALL FOR GOOD FOR EVER

40
years
1984-2024

it takes **EACH OF US**

continued ...

Throughout the year, our anniversary events all shared one thing in common: community. Yes, we were celebrating SCF's history – but more importantly, we were celebrating Saginaw County. This amazing community, filled with remarkable people, rich history, and vibrant opportunities, is the reason we do what we do. It's a community worth honoring every single year.

In addition to celebrating, we remained focused on our core work: awarding grants and scholarships, cultivating donor relationships, providing fiscal stewardship, and working alongside neighborhood associations and regional partners.

We closed out the year with strong financial performance. SCF achieved a 12.6% total composite one-year return, surpassing our benchmark of 11.8%, bringing SCF's total assets to more than \$105 million. Our thanks to the SCF Investment Committee, our local financial managers, and our consultant, Fund Evaluation Group (FEG), for their sound fiscal management.

As we look to 2025, we're rolling up our sleeves to support and bring people together around efforts that matter most to our community – including the Medical Diamond project, housing, child care, and community violence intervention. By listening, partnering, and sharing resources, we're helping move important work forward. The work continues, and the need is great – but so is our commitment.

Together, let's keep building a stronger, more vibrant Saginaw County – for each of us, for good, for ever.

Sincerely,

Renee S. Johnston
President & CEO

Todd Gregory

2024 Community Improvement Initiative \$40,000 Grant aims to expand adult day support programming

"I have an adult daughter named Ilexis. When she was born, I didn't know she had a development delay," said Cherie Long, founder/president, Heart of the City Development Center. "It wasn't until she was about three years old that I started to notice that she wasn't reaching certain milestones like holding her bottle or keeping her head up. I went to the doctor, and they told me she was 'spoiled' and that I should try holding her less."

Cherie wasn't satisfied with the opinion provided by her doctor. She sought a second opinion and had her daughter examined at the Children's Hospital of Michigan.

"The tests revealed the Ilexis was born missing a portion of her brain that was causing a delay in her development," said Cherie.

Cherie has spent her daughter's lifetime advocating for her. There are programs in place to assist persons with intellectual and developmental disabilities from birth through age 26, however after reaching age 26, there are scarce services available. In 2022, Cherie founded Heart of the City Development Center to address this shortfall in services.

Mission-Driven to Help Families

Saginaw Community Foundation awarded the 2024 Board of Directors' Community Improvement Initiative \$40,000 grant at our 40th Anniversary Gala event in September 2024. The grant will be used to enhance Heart of the City's Adult Day Support Program.

The Heart of the City Development Center was created to empower individuals with intellectual and developmental disabilities and promote inclusion for those ages 17-55 in Saginaw County. Through its comprehensive programs and services, the organization works to enhance participants lives while positively impacting the community through job creation, supporting families, and focusing on inclusion and diversity within their community safely.

"We offer a range of programs tailored to the needs of our participants," said Cherie. "Things like Career and Technical Education training, cognitive reha-

ilitation, adaptive physical education, all-inclusive social events, recreational activities, and STEAM courses."

The grant award will be used to enhance and provide specialized equipment for members of the community with intellectual and developmental disabilities; offer training for staff, families, and community members; and develop inclusive activities.

Filling a Need

Through Cherie's investigating, she found there is a great need for programs that support families with a person with intellectual and developmental disabilities between the ages of 26-55.

"Individuals in this age group do not qualify for any childcare services in the state of Michigan," said Cherie.

Heart of the City Development Center provides a safe space where families are welcome to participate in activities with their child. Since receiving the 2024 SCF Community Improvement Initiative Grant, Cherie was able to expand her services from serving four to seven individuals to now serving over 25.

"Helping so many families warms my heart," remarked Cherie.

Cherie found working with Saginaw Community Foundation to be a welcoming and straight-forward experience.

"I wasn't sure how to begin writing and applying for a grant," said Cherie. "The staff at the community foundation is extremely knowledgeable about the entire community and really helped guide me through the process."

*"Close your eyes and look with your heart.
We all deserve to be treated the same."*

Cherie Long

*Founder/President
Heart of the City Development Center*

Empowering
Futures
Through Education

it takes **EACH OF US**

At the Saginaw Community Foundation, we believe education is one of the most powerful tools for personal and community transformation. Our scholarship program continues to be a cornerstone of this belief, helping local students pursue their educational dreams and career goals.

Since 1987, when we awarded our first \$500 scholarship, the Saginaw Community Foundation has remained committed to helping students access opportunities through education. By the close of 2024, we've proudly awarded more than \$10.7 million in scholarships to students from across Saginaw County, the state of Michigan, and beyond.

Each year, hundreds of students benefit from the generosity of our donors and the power of philanthropy. In 2024, the Foundation awarded 665 scholarships to 389 high school, college, and nontraditional students, totaling \$838,750 in financial support. These awards represent more than numbers – they are investments in futures filled with promise.

Our 255 scholarship funds, each one established by a generous donor, are as unique and diverse as the individuals they support. Each fund reflects a donor's personal story, values, and commitment to education. The scholarship awards help students attend universities, community colleges, and Career and Technical Education (CTE) training programs across the country. Whether their path leads to a college degree or skilled trade certification, SCF scholarships are here to support them.

Some of our scholarships are need-based, others merit-based, and many are a combination of both. They may focus on specific academic disciplines, support CTE training, or help students pursue graduate-level studies. No two are exactly alike – just like the students who receive them.

"Many people in our community are aware of our scholarships," said Chamika Ford, SCF's Scholarship Program Officer. "They're tailored to meet a variety of educational goals and that diversity is what makes our program so impactful."

Students from all walks of life apply for SCF scholarships, united by a shared commitment to learning and self-improvement. They are the future business leaders, educators, healthcare professionals, artists, and tradespeople of our region – and beyond.

"Education is a cornerstone for thriving communities," said Reneé Johnston, SCF President and CEO.

"Through scholarships, we help individuals take meaningful steps toward their goals – whether that means a degree, a certification, or vital job training. Our scholarship program removes barriers and creates opportunities – opening doors that might otherwise remain closed."

Looking ahead, the Foundation remains deeply committed to increasing access by reducing financial barriers to education. Through continued donor support and community partnerships, SCF remains committed to investing in the next generation of leaders, innovators, and difference-makers.

Youth
Philanthropy
in Action

it takes **EACH OF US**

Young people are often told they will be the leaders of tomorrow – but at the Saginaw Community Foundation, they are leading today and making a real difference through FORCE.

FORCE is SCF's Youth Advisory Committee, created in 1992 through a \$1 million challenge grant from the W.K. Kellogg Foundation. What began as a bold idea to involve youth in philanthropy has grown into a powerful force for positive change in Saginaw County.

Made up of students in grades 8 through 12 from schools across the county representing Freeland, Heritage High School, Nouvel Catholic Central, Saginaw Arts & Sciences Academy, Swan Valley, Valley Lutheran, and St. Charles. FORCE empowers youth to take the lead on grantmaking and community service initiatives that directly impact their peers.

What sets FORCE apart is simple but revolutionary: the students are in charge.

“The big difference between FORCE and other youth organizations is the youth are making the decisions with the grant dollars available, and are actually deciding what to do with it,” said Cecelia Hopkins, program associate and FORCE coordinator. “They go through the same competitive grantmaking process as any other SCF committee – but their focus is on youth-oriented programs.”

To date, FORCE has awarded more than \$1.1 million in grants to programs and projects that benefit children and teens in Saginaw County – from mental health support and mentoring programs to arts enrichment and anti-bullying campaigns.

The impact goes far beyond dollars. Members walk away with firsthand experience in leadership, budgeting, public speaking, volunteerism, and collaboration – all while learning about the community they call home.

Many times, youth feel unheard. However, FORCE proves that when given the chance, young people will rise to the occasion and redefine what's possible for their community.

Interested in joining FORCE?

Saginaw Community Foundation is committed to bringing people and resources together to build an equitable community and to make a lasting philanthropic impact. Creating lasting impact depends on long-term resources. We partner with donors to build endowment funds that ensure vital futures for the communities we serve across Saginaw County. Saginaw Community Foundation is uniquely equipped to help our donors achieve their personal charitable goals by providing in-depth knowledge of our community along with expertise in a wide range of flexible charitable giving options.

In their own words, donors share below why they chose to partner with Saginaw Community Foundation.

Kennett Women's Fund

Shari Kennett

“The Kennett Women's Fund was created to help strengthen women in the community, by providing support and addressing needs so they can focus on being even more successful. I learned so much serving on the Board of the Saginaw Community Foundation and it was one of my larger regrets when I moved and was not able to complete my term. This fund was a way for me to honor my mother and the Saginaw community. There was no question that I would work with the Saginaw Community Foundation for this, especially since I was aware of the work they did, how well they did it, and how visionary they are at their mission. The fund came together quickly and easily once the idea for its purpose was in place. I trust Reneé and her team to put this fund to work according to its purpose and the community needs.”

Robert E. Stark & Martin H. Stark Foundation Fund

Benjamin Stark

“My Uncle (Marty Stark), Father (Robert Stark), and their two brothers were children during the Great Depression and their family did not have an easy road during this time. After returning from the Army in the late 1940s, my Uncle Marty borrowed a couple thousand dollars to start Arrow Paper Products Company. Through relentless hard work and innovation, he turned it into a successful business which eventually led to his donation to the Foundation.

My Father and Uncle, I think, remembered their difficult childhood, and, as adults (best friends as well as brothers), became advocates for others whose circumstances had made their lives difficult. Remembering his own path to success, my Uncle was particularly interested in programs that helped people become self-sufficient. The long list of agencies to which our portion of the Foundation's funds is donated – which has remained intact since my Uncle's death – reflect these interests. My guess is my Uncle chose the Foundation as his philanthropic vehicle because of its ability to fund so many worthy agencies, each, in its own way, providing this help.”

Louis and Karen Constan Science Education Fund

Dr. Louis and Karen Constan

“We both come from strong families. Lots of children around, and we value them all immensely. Lou delivered babies and treated them as they grew. Karen was a PTA President, teacher and tutor. We also value being an example to others about the power of taking action to promote one's values. Family, education, action, and leadership by example – a Science Education fund.

We saw the need to provide deeper and broader science experiences in our community. We articulated this goal to the people at the Foundation, experimented with different ways to achieve that goal, and ended up, after years of work, with a solid framework to achieve those goals.

The Foundation knows what is currently being developed and what is being imagined for our community. They know how to get things done. They share our values of community engagement and community improvement. They have the infrastructure to manage finances for maximum impact. No one has a such a ‘deep bench’ of expertise.”

Marvin and Janice Brandle Scholarship Fund

Steven Kozdron

“Education is the foundation for a thriving community. Mr. Brandle created this fund to allow other people the chance to obtain their dreams and to help people in his community.

Reflecting on this fund there are two things to be exceptionally proud of: the level of confidence and support brought to each student who receives this scholarship and the level of growth this fund has experienced, allowing more students to take advantage of this opportunity.

When establishing an endowment designed to last in perpetuity, it is very important to pick the right foundation. With the knowledgeable staff and support at the Saginaw Community Foundation, Mr. Brandle had no doubt they would fulfill his legacy.”

Creating a Legacy

Your guide to establishing a fund at Saginaw Community Foundation

Everyone can be a philanthropist. When choosing a giving vehicle, many people turn to Saginaw Community Foundation to create a charitable fund. Foundation staff will help simplify the process, offer community expertise and add a variety of services that help donors set-up funds, award grant dollars to nonprofit organizations or achieve short-term fundraising goals for special community projects.

Hundreds of individuals, families, companies and organizations have created a charitable legacy by establishing a fund at the Saginaw Community Foundation. Interested in how to get started? Our philanthropic experts have outlined six simple steps to help guide donors to meet their philanthropic goals.

Choose your passion

What social impact area do you want to support? Are you interested in helping students attain a college degree or Career and Technical Education (CTE) certification? Or, maybe you have a passion for supporting access to the arts. Or, possibly you want to support a local nonprofit organization that aligns with your values. The first step in setting up a charitable fund is identifying who or what you want to support. Saginaw Community Foundation is a great resource if you need information on community needs and opportunities.

Decide when to give

Do you want to establish a fund today so you can give during your lifetime and witness the impact? Or, would you prefer to defer your gift through a will, estate plan or other planned gift? The SCF Philanthropic Giving Team will work with you, your family and your professional financial advisor to determine how you can best achieve your philanthropic goals.

Choose what to give

Almost any kind of asset may be used to start your fund at SCF, including cash, publicly traded securities, closely held stock, interests in limited partnerships, real estate, life insurance, personal property and private foundation assets. If you open a donor advised fund, tax deductions are earned at the time of your gift and you can award grants any time in the future.

Pick a type of charitable fund

Saginaw Community Foundation offers several types of funds to help meet your philanthropic goals, including unrestricted, field of interest, designated, donor advised, scholarship and community initiative/special project. Each type of fund provides its own set of benefits, flexibility and timeline based on your philanthropic goals.

Decide to make your fund endowed or non-endowed

An endowment is a permanent fund. Endowment funds are pooled for maximum benefit and invested to achieve long-term capital growth. Contributions are irrevocable and become assets of Saginaw Community Foundation. Non-endowment funds have no permanent principal balance and are immediately available for grant distribution.

Name your fund

The fund you establish with Saginaw Community Foundation can be set-up in your name, in the name of your family, in honor of any person or organization, or on behalf of a business. If you prefer anonymity, you can choose a name that reflects your philanthropic purpose.

We're Here to Help

Saginaw Community Foundation will guide you through the necessary steps to establish your fund and explain investment portfolios and important policies. If you have further questions, give us a call at (989) 755-0545 or visit saginawfoundation.org.

Our Grants

Each year, the Saginaw Community Foundation infuses millions of dollars back into Saginaw County and beyond in the form of grantmaking.

Non-competitive Grants

Agency Fund Grants

Agency Funds are endowment funds established by a nonprofit organization and designated for its use. Grants from this type of fund can only benefit the designated nonprofit organization.

Designated Fund Grants

Designated Funds are an endowed fund established by a donor to benefit designated nonprofits or other institutions. Grants from this type of fund provide vital support for the designated organization.

Donor Advised Fund Grants

Donor Advised Funds enable donors to remain actively involved in recommending grants from their fund. Grants from this fund type allow donors to support the causes and organizations they care about most.

Competitive Grants

Who Can Apply?

Other than grants made to individuals through designated scholarship funds, grants will be made only to those 501(c)(3) nonprofit organizations, local units of government and religious institutions requesting funds to support programs or projects benefiting the citizens and communities of Saginaw County. Grants are typically made for one year.

What types of programs and projects does the Saginaw Community Foundation support?

The foundation is particularly interested in funding:

- Projects enhancing and preserving the quality of life in Saginaw County
- Projects not adequately being served by existing community resources
- Projects providing leverage for generating other funds and community resources
- Projects facilitating cooperation and collaboration between organizations

Grants usually do not support operating budgets, basic municipal services, basic educational functions, endowment campaigns, previously incurred debt and sectarian religious programs. Low priority is given to requests for travel for groups such as school classes, clubs or sports teams. The foundation does not give grants to individuals, including requests for utility payments and food. Individuals in need of these types of services are encouraged to call 211 for assistance.

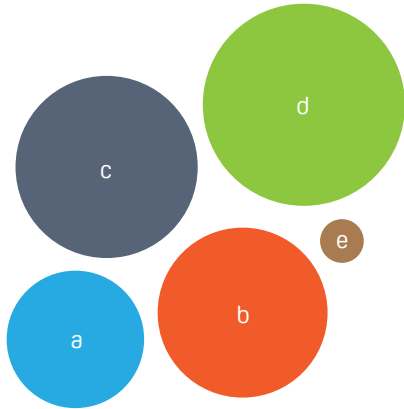

Competitive Grant Application Process

To begin the application process for a competitive grant, contact Kendra Kempf, program officer, at (989) 755-0545 or kendra@saginawfoundation.org. She will review your proposed project for eligibility, as well as answer your questions. Once your full proposal is received, SCF will conduct a comprehensive review.

For additional information, visit the Grants section of our website at saginawfoundation.org.

Financial Review

We believe it is important that an organization be fiscally responsible and that the funds entrusted to its care be used as intended. The Saginaw Community Foundation takes our stewardship role very seriously. On these pages, we have included information regarding the investment of our assets, our condensed financial statement and a breakdown of our grants and administrative expenses. If you would like to review a copy of SCF's audit, please give us a call.

Volunteers

To our hundreds of volunteers, you are an inspiration. Without your commitment of time and talent, we would not be able to do all of the great things we do in our community – and for that we say “*thank you.*”

Tribute Gifts

A great way to recognize someone special is to give an honor or memory tribute gift. These gifts become lasting, living legacy's and help Saginaw Community Foundation make grants to a wide variety of charitable, educational, health and cultural programs throughout Saginaw County, creating an impact in our community, now and forever.

Honor Donations

A thoughtful way to honor and commemorate an important moment by recognizing a birth, graduation, anniversary, special achievement or simply "just because." Below are contributions made during 2024 in honor of:

Don & Janet Amman
Michael Bierlein
Larry Brethauer
Jane Bommarito
Janet Crane
Gary & Julia Emede

Carissa Hillman
Josefina Labasan
Gene & Shirley Nuckolls
Carl Russell
Nicholas Sergi Foundation

Tribute Donations

A meaningful way to honor a friend or relative or to express your condolences. When you give a tribute gift to Saginaw Community Foundation, you honor a special life by helping us meet the ever changing needs of Saginaw County. For good. For ever. Below are contributions made during 2024 in memory of:

William Aldridge
Hubert Alexander
Aaron Alverson
Scott Amman
Pete Anderson
Mitchell Barlow
Michael Basner
Tom Braley
Sharon L. Brown
Rev. Reginald Fitzgerald Cameron Jr.
Dorothy Foulds
Leona Glenn
Philip Goldman
Tim Grill
Ralph Guevara
Khalil Harris
April Kade
Phillip Kerby

Steven Kyle Kowalewski
Eric Morly
Lorraine Murlick
Angela Ortowski
Odie Pruitt III
Elaine Rapanos
Kenneth "John" Reimus
Mel Skillman
Pearl Vasher
Deanna Virciglio
Carol Walker
Louise Watson-Small
Reginald Williams, Sr.
Byron Wilson
Ken Wiltse
Elaine Zielke
